Radar Plot of Accuracy

Radar Plot of Accuracy

This radar plot illustrates the impact of different typo types and intensities on the model's performance. Each axis represents a typo type, while different intensities are shown as separate traces. The plot allows for easy comparison of performance across different typo types and intensities.

Radar Plot of AUCPR_sem

This radar plot illustrates the impact of different typo types and intensities on the model's performance. Each axis represents a typo type, while different intensities are shown as separate traces. The plot allows for easy comparison of performance across different typo types and intensities.
